✓ ROOM TO MOVE

Six levels of outside viewing platforms, large walk-around decks and restricted passenger numbers ensure your whale watching experience is a personal one.

✓ WHALE EXPERTS

The quality of your tour depends on the expertise of your crew. We know where to find whales and how to engage with them to ensure your experience is both exciting and memorable.

✓ WHALE GUARANTEE

We deliver on our promise to see a whale. If your tour fails to find a whale, we will provide you with a FREE return cruise.

✓ ECO FRIENDLY

MO Tier II compliant engine design for lower fuel consumption, lower NOx emissions and a whale/dolphin-safe hull design.

At a cost of over \$4 million, Spirit of Migaloo II is the newest and most advanced whale watching vessel in Australia

FREQUENTLY ASKED QUESTIONS

When? 1st June to early November, 7 days a week.

Where? Tours depart from the Sea World Cruise Terminal in the carpark outside Sea World. Entry to Sea World not required.

How long? Allow 2.5 hours per tour.

What if I cancel? To receive a full refund, cancellations must be made more than 24 hours before the departure time.

Will I see a whale? We deliver on our promise to see a whale. If your tour fails to find a whale, we will provide you with a free return cruise.

Is food provided? Drinks and snacks are provided free of charge with our VIP Captain's Lounge tickets only. Food is available for purchase on board or at our Sea World Cruise Terminal Cafe.

Can children go? Children are welcome, but will require adult supervision at all times.

✓ WHALE GUARANTEE

As Australia's whale watching leaders, we deliver on our promise to provide premium whale encounters, so if your tour fails to sight a whale from June to early November, we will provide a FREE return cruise.

✓ MORE WHALE TIME

Our departure point is only 20 minutes from the humpback whale highway, which means less time getting there and more time with the whales, leaving the rest of your day free for other activities.

✓ OUR VESSEL

Australia's most advanced whale watching vessel is designed to provide a superior level of comfort, exceptional whale viewing and uninterrupted photo opportunities from sea level to sundeck.

✓ INFORMATIVE

Our expert marine naturalists will provide informative commentary about annual migration, environmental risks and behaviors of humpback whales and other marine animals found in the local area.
